SUMMARY

Aspiring Frontend Developer skilled in building responsive and interactive websites using React.js, Tailwind CSS, and JavaScript. Proficient in modern UI/UX practices, REST APIs, and performance optimization. Passionate about delivering clean, maintainable code and learning cutting-edge technologies.

EXPERIENCE

Codetech IT Solutions – Frontend Developer Intern

Remote | Feb 15 – Mar 15, 2025

- Built responsive webpages using React.js, ensuring cross-browser compatibility and performance.
- Resolved UI bugs and implemented new features using Tailwind CSS and JavaScript.
- Collaborated with senior developers on GitHub and followed Agile sprint planning.

EliteTech Intern – Frontend Developer Intern

Remote | Feb 27 – Mar 27, 2025

- Developed and styled dynamic components using React.js and Redux Toolkit.
- Enhanced user interface responsiveness and accessibility across devices.
- Gained experience with version control (Git), API integration, and real-world dev workflows.

TECHNICAL SKILLS

Language: HTML, CSS, JavaScript, TypeScript

Frameworks/Libraries: React.js, Tailwind CSS, Bootstrap, REST APIs

Tools: VS Code, Git, Vercel, Postman, MUI, Vite, Figma

EDUCATION

Bachelor of Computer Applications (BCA)

Parishkar College of Global Excellence, Jaipur

Specialization: Website Development | 2022 – 2025

PROJECT

Personal Portfolio Website

[View Project](#)

- Built a responsive, interactive portfolio using HTML, CSS, and JavaScript.
- Showcased skills and live project links with an emphasis on mobile-first design
